## Welcome back to term 3

Hope everyone had a great break and not too many frozen pipes to contend with. We look forward to seeing you at some of our school events this term.

## Our Stars

The following children have achieved 100% in their spelling and basic facts work. Fantastic effort and work by you all, great.

### Basic Fact Stars:

Week 1 – none

Week 2 – Sarah, Alex

### Spelling Stars:

Week 1 – Courtney, Alex, Sarah, Jack, Joey

Week 2 – Clark, Braydee, Jack, Joey

### From Class:

With the strengthening of the hall floor we are now into doing gymnastics as well as getting fit and practicing for the Cross Country events coming up this month in Clinton. The student toilet upgrade has taken place during the holidays and was finished last week. We now have one large cloak-bay area for everyone and two brand new toilets with basins as well.

## Children's writing:

Yesterday I got my new kitten. I have a litter plastic box and a cage for her.

Jacquelyn

In the holidays Grandma and I went to the movies to see Cars 3. There is a car called Jackson Storm and he is black and purple. Jackson Storm keeps winning because he is new. He went zoom. It was amazing and it was funny because a car got bogged in the yellow sand.

Jackson

Once on a glorious day I went to the forest and I saw my friends, the rabbit and a lost lamb. She was called Joy. I saw magical trees. They were glorious trees. When the wind blew the trees talked to me and I talked to them. On the way home it blew and I felt cold so I ran home. I had a glorious day.

Courtney

On Sunday I am going to help Dad fix the Fiat tractor because he said, this winter we are going to finish it. So we can use it for feeding out the wrapped bales and I like helping Dad.

It caught fire and we are fixing the whole tractor. It is a big job. It will take a long time. The tractor caught fire so bad we had to ring the fire brigade to put it out. I got to spray it with the garden hose.

# Lego

Dad has an old Lego set. Alex, Dad and I made a bulldozer out of Lego. It has a motor in it.

Dad pushed Lego with the bulldozer. Dad drove over the Lego buggies. Dad had the Lego when he was a boy.

## Climb Time At The Time

- Clip n climb is awesome ,exciting,challenging and safe.
- Even though it cost 113 it is the best place with a five star rating it is the best place to go with lots of cool climbing walls and it is also challenging.
- 
- It also helps with your strength and your ability to climb vertical walls and there is a age for babies from 5 years old.
- 
- What I am trying to say is that it is extremely fun.
- 
- Clip n climb is exciting and fun.

Jack

# Play Date

Today after school I am going to Alex and Clark's huge house. We are going to play by the deep, deep duck pond, I hope I don't fall in. We are going to build a very high hut in a Gum tree. I am staying for one hour and wrestling on the tramp.

Braydee

## The Tremendous *Remarkables* Sweet shop

I think we should go to the *Remarkables Sweet shop*. The *Remarkables Sweet shop* is a lolly shop based in Arrowtown. Most kids at this school haven't been there before, in fact I found out that someone here hasn't even heard of it! I say we should go there because kids need lollies once in while.

- If you think that all of these are just normal lollies from New Zealand, you're wrong! These lollies come from America, Australia and Britain. No need to travel all the way over to those countries just to get a taste of their sweets.
- If you have problems with any of the lollies they have gluten free, sugar free and vegetarian lollies. But they also sell foods such as cakes, biscuits, fudge and muffins.

I don't just mean that the kids have to have all the fun, adults can buy some lollies to but as long as parents give their children at least \$5 or \$10.
