This year me and Joey have got a chrome book each and it is really fun having them but we have to plug them into the charger every night before we go home other wise they will go flat before the next day but it is really hard to tell them apart because they are exactly the sme so miss hampton put two different stikers on them so that it is easier to tell them apart.

Jokes

**What did the poo say to the fart?
You blow me away.**

Did you hear about the constipated accountant? He just couldn't budget.

**Why did the toilet paper roll down the hill?
To get to the bottom!**

At school we have milk in school we have milk at third break and that is the tireing part of the day because milk makes you tired.

People who tell you that they're constipated are full of crap

Sometimes when we are playing miss hamptons kittens come and play with us it is really fun but sometimes they really anoy miss hampton.

In the morning we sing a couple of songs some of the songs are funny and some aren't that funny but we still have fun we normaly have someone controlling the CD player but if there is no music up on the board we won't do any singing.
